Civic Guards Organisation in the State -
Suspension of -

SIR,

With reference to your letter No.4355/W dated the 29th May 1943, I have the honour to state that action has since been taken to limit the strength of the Civic Guards in the Cities of Bangalore, Mysore and Kolar Gold Field, as already intimated in my letter No.C.G.20/42-43 dated the 20th May 1943. It is also a matter for consideration whether such an organisation is essential in the district and taluk headquarters owing to the remoteness of any emergency for which the Civic Guards are worth being employed. I am of opinion that it would be better to suspend this service in all district and taluk headquarters except in the cities of Bangalore, Mysore and Kolar Gold Field, until an emergency requiring their services is declared. In the meanwhile, the Superintendents of Police may keep a list of Civic Guards thus disbanded in their respective districts to facilitate their being recalled in case of necessity. In this connection the Deputy Commissioners of districts were consulted and they are all agreeable to my suggestion, except the Deputy Commissioners of Tumkur, Chitaldrug and Hassan who slightly differ.

The reports in original received from the Deputy Commissioners are herein enclosed for favour of perusal.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

Sir,

Subject: Extension of the Civic Guards Movement in the State.

With reference to your letter No. C.G.7/41-42 dated 8-8-1942 asking for my views as to whether any modifications in the Civic Guards Rules etc., are necessary in order to augment and improve the Civic Guard Movement in the State, I have the honour to state as follows.

Uniform: At present, two pairs of khaki shorts and two shirts are being supplied at Government cost to each member of the Civic Guard, the cost not exceeding Rs 6/-. In addition to this, two pairs of stockings and a pair of shoes or boots may also be supplied. This will enable the Force to present a neat appearance and add to its morale.

ALLOWANCE: Under Rule 21 of the Mysore Civic Guard Rules, the District Magistrate, may, at his discretion pay a member of the Civic Guard while on duty, an allowance not exceeding eight annas per day. In view of the fact that payment is to be made only for the days on which a

P.T.O

Civic Guard is called out for duty, this duty allowance may perhaps be raised to one rupee per day. This will act as a greater incentive for young men to join the Force in larger numbers.

Again under para (2) of the instructions regarding payment of duty allowances to Civic Guards received with Chief Secretary's letter No. 811/W dated 2-10-1941, duty for periods of less than four hours per day will not entitle the Civic Guard to the allowance. This condition may perhaps be relaxed in consideration of the fact that when once a Civic Guard is called out for duty, he is expected to be prepared for the entire day and cannot be expected to know that he will be let off within 4 hours. In such cases half the allowance meant for the day may, at least be given.

Organization of periodical camps, institution of motorized section; parades on State occasions, such as the Birthday and the Dasara processions, etc., and the organization of annual sports exclusively for Civic Guards as suggested by the Private Secretary to His Highness the Maharaja of Mysore in his letter No. C. 5205 dated 1-6-1941 addressed to the Chief Secretary to Government would go a long way to popularise this movement and make it more attractive.

In short, action may be taken on all the suggestions made by the Private Secretary to His Highness the Maharaja of Mysore in his letter referred to above, and an officer of the rank and status of a Deputy Inspector General of Police may be appointed and placed on special duty for organizing this Movement all over the State on the lines indicated above.

Subject:- Suggestions for modifications in the Civic Guards Rules.

53/ Adverting to Chief Secretary's letter No.3718/A. dated 23-6-42 on the above subject addressed to you, I have the honour to forward herewith a copy of letter No.C.G.42/41-42 dated 8-7-1942 received from the District Superintendent of Police, Chickmagalur and to state that I agree with his proposals as regards the meetings, suggested in para 3, this need not be periodical but convened as and when necessary.

I would also suggest first aid Squads being organised amongst the civic guards. They may also be given lessons in A.R.P. work so that in case of emergency they can work in co-operation with A.R.P. men.

Periodical parades may also be held to give some publicity to the organisations.

Strengthening the Civic Guard Movement in Kadur District.

With reference to your memo.No.J1-I.R.250/41-42 dated the 27th June 1942 on the above subject and calling for my views thereon, I have the honour to suggest the following modifications in the Civic Guard Rules:-

1. Rule No.8:- The age limit for entrants to the Civic Guards Organisation may be fixed between 18-50 instead of between 20-40.

2. Rule No.21:- The remuneration prescribed to Civic Guards may be enhanced from annas eight to One rupee.

The other suggestions that I wish to submit from the organisational stand-point of the movement are:-

1. The Civic Guard Movement may be extended to places where there are Range Police Stations.

2. A central Civic Guard Association may be formed in the District Headquarters with branches thereof in the taluks, in co-operation with the local police, and lectures, debates etc., may be arranged on subjects of the day i.e., Defence, Internal Security, A.R.P. measures etc., to infuse interest into the movement and also to educate them regarding their duties and responsibilities in times of emergency. Facilities for indoor and outdoor games may also be provided for the Civic Guards, the expenses thereof being met out from the Civic Guards Funds for sort of encouragement and to infuse interest in the Civic Guards.

3. Some time the District Officers and influential public men may be arranged to be held at Chickmagalur every month under my presidentship with a view to discuss measures of augmenting and improving the movement, and it should also be impressed on all the District officers that their subordinates should be encouraged to join the Civic Guard Movement in larger numbers, giving them facilities to attend the drill and instruction classes arranged by the Police Officers.

With reference to your letter No.C.G.7/41-42 dated 8-7-42 inviting reference to Chief Secretary's letter No.3718/W dated 23-6-42, calling for suggestions for the modifications, if any, in the rules to augment and improve the Civic Guards Organisation, I have the honor to suggest the following modifications in the rules as best calculated to secure an increased strength and efficiency in the force.

1. The raising of the maximum age for Civic Guards from 45 to 50.

2. Making drill optional as experience has shown compulsory participation in drill is not liked by some who are willing to join the organisation More men may join the force if drill is made optional.

It is also necessary to offer small privileges mentioned below as an inducement to people joining the Civic Guard.

1. A more liberal grant of gun licenses waiving the minimum property qualifications.

2. Exemption from Municipal tax and tolls on cycles held by Civic Guards.

3. Government Grants to provide facilities for a common reading room, more sports activities calculated to create an 'Esprit-de-crops' among the Civic Guards.

I have the honour to state that there were 197 Group Commanders and 2,292 Civic Guards at the end of June 1943 as against 199 and 2,316 respectively at the end of the previous month. The decrease in the strength is due to eleminations of undesirables, etc. in the Mysore City in order to reduce the strength to the number fixed.

There was nothing worth mentioning except that some of them were deputed for watch and ward duty at the Legislative Council Hall in the Secretariat from the 21st June. Their services were also made use of during A.R.P. Practice on the 24th June.

Report on Civic Guards for the month of September 1943.

With reference to your letter No.W.908/W 8-43-7 dated the 12th November 1943, I have the honour to state that the decrease in the strength of Civic Guards during August 1943 is due to the elimination of undesirables, and frequent absentees, as also the transfers and resignations tendered by some of the members. The Organisation being only an honorary one, most of the members thereof might be presumably feeling that this honorary service would not in any way prove beneficial to them, and this account for the slackness in their attendance to parades and calls of the Police whenever necessary. Anyhow, efforts are being made to keep the organisation alive.

SUBJECT: Report on Civic Guards for the month of November 1943.

I have the honour to state that at the end of November 1943, there were 188 Group Commanders and 2,020 Civic Guards in the State as against 189 and 1,990 respectively at the end of the previous month.

The Civic Guards were given the required training in all Districts and they were called on to do some light duties along with the Police in some of the districts. Instructions have been issued to all District Superintendents of Police to make use of their services on all important occasions and to ask them to assist the Police wherever possible, especially during the coming harvest season. This will not only relieve to a great extent many of the Police Constables from this kind of work to enable them to attend to their legitimate duties, but also encourage Civic Guards to be active, of course paying the latter whatever remuneration they are entitled to for the days they are called to do such work.
